

TOTALLY DELUXE

PERMANENT COSMETICS & TATTOO REMOVAL

DELUXE BROWS

MICROBLADING

-A Manual permanent brow treatment using ultra fine needles to implant pigment into the skin to create beautiful hairstrokes to mimic your natural hair

*Includes a touch up session after 6 weeks, results will then last for approx. 12 months

£325

OMBRE BROWS

-A shading technique which creates a soft powdered finish. The fronts of the brows are kept lighter with a gentle gradient into the darker main body and tails of the brows. This style can be sheer and natural or bold and defined. Perfect for everyone

*Includes a touch up after 6 weeks, results typically last for 12-18 months

£375

COMBINATION BROW

-A combination of Microblading and Ombre for a natural look. This is our most popular service as it is perfect for filling in any sparse or gappy area in your brows

*includes touch up after 6 weeks, results typically last for 12-18 months

£375

BROW COLOUR BOOST

-Colour refresh for permanent brows.

*Previous pigment must be visible enough so only one session is needed. If you need additional sessions, then there will be a separate charge for that session.

*This service is only available to clients who have had their brows done by Totally Deluxe. If you have previously had your brows done elsewhere, then you must book a full brow service- Please contact directly for advice
